As a result, you are responsible for following the guidelines below and adhering to the following code of conduct. Disciplinary action may be taken against any individual who fails to comply with this code and guidelines.

- Managers and coaches should ensure that only coaches with a signed code of conduct are allowed in the bench area. This includes parents and spectators. Parents and spectators should be expected to show managers and coaches respect by remaining in designated bleacher areas and away from the bench area or dugout. (Exception: Tee ball and coach pitch levels).
Managers and Coaches should always set the tone of sportsmanship.
Managers are responsible for the behavior of players, coaches and spectators. Should there be spectators, players or coaches that become highly emotional or use profanity during the course of a game the manager should address the issue and support any decision the umpire may make to rectify the situation.
Only managers should address conflict or question on-field decisions. A manager wishing to question the umpire or opposing team manager/coach shall first request time out from the umpire. When the umpire calls time out, the manager will then address the umpire at home plate in a modulated voice taking care not to alarm, disturb or harass any player or coach, or to let their voice carry in any way that the fans might become vocally involved.
Managers shall instruct and ensure that NO player or coach displays poor sportsmanship of any kind.
Physical confrontation of any kind will not be tolerated by the Hidden Valley Lake Athletic Club.
Ejection from a game by an umpire will result in suspension from the next scheduled game.
Use of drugs and alcohol or under the influence of is prohibited at youth sporting events associated with HVLAC.
Any failure to follow these guidelines, including but not limited to, ejection from a game or on field conflict should be reported to the Baseball Commissioner. The Baseball Commissioner is required to report the breach of conduct to the Executive Board at the following month Athletic Club Meeting.
The board may impose any discipline up to and including the dismissal of a manager or coach from his or her position and or the program.
