

HVL Website Submission Guidelines

Our goal is to provide useful information of interest to HVL residents, presented in a professional and attractive format. Announcements from outside HVL are accepted if they are public in nature and considered relevant.

If your submission is commercial (advertising a product or service), you will be encouraged to purchase a listing in the Business Directory instead. Our Facebook page is the appropriate place for posts about lost or found pets or personal opinions.

All submissions are subject to approval by the POA Community Manager.

Please email submissions to the following group: moemanion@comcast.net, cbrandt5@comcast.net, ginakeller@comcast.net, richhvlpoa@gmail.com
