

Hidden Valley Lake

Boat and Golf Cart Registration Checklist

All POA dues, assessments, fees, penalties and fines **must** be current to complete the registration process. To receive current registration stickers, mail the required items below along with a **large letter-size self-addressed stamped envelope** to: Hidden Valley Lake POA, 19303 Schmarr Drive, Lawrenceburg, IN 47025

ANNUAL INSURANCE REQUIREMENTS FOR BOATS AND GOLF CARTS: If you are registering a watercraft to HVL, the title and insurance must be in the name of a homeowner on the deed. You **must** supply a **current** copy of your liability insurance coverage or a letter from your agent stating: a) minimum of personal watercraft liability coverage of \$100,000, or b) minimum property and bodily liability of \$100,000 with watercraft specifically named, or c) minimum combined limit insurance of \$100,000 with watercraft specifically named. The eligibility period must be current and show expiration date. Your insurance agent may **fax a copy to (812) 537-1521** or email to: hiddevvalleylakeindiana@comcast.net.

ANNUAL BOAT REGISTRATION FORM: If you registered watercraft last year, the information is listed on the front of the form. To register the same watercraft, simply verify the information listed and send the form (completed and signed), registration fee, proof of insurance and Boat Driver Exam (completed and signed) to the POA office.

NEW BOAT REGISTRATION FORM: If you are registering a **new** watercraft, the title and insurance must be in the name of a homeowner on the deed. You must also provide proper documentation of ownership and length of the watercraft. This should include the title to the watercraft, as well as the owner's manual for the specific model being registered showing overall length.

BOAT MEASUREMENT REQUIREMENTS: If you are registering a **new** watercraft to HVL, the title and insurance must be in the name of a homeowner on the deed. You will be required to have your boat measured by HVL POA Deputies prior to bringing your Boat Registration paperwork to the POA Office to obtain your Boat Registration sticker. Contact the deputies to set up a mutually agreeable time to have your boat measured at (812) 537-9400.

ANNUAL BOAT DRIVER EXAM: You **must** read the enclosed **Lake Rules** before completing the enclosed **Boat Driver Exam**. Sign and return it along with your watercraft registration form. You must answer all questions correctly to receive your watercraft stickers.

ANNUAL WATERCRAFT REGISTRATION FEES: You may register **only your own** watercraft and only one powered watercraft in excess of 10 horsepower. Falsification of registration may result in a fine and/or loss of watercraft privileges.

Power watercraft (over 10 hp)	\$65.00
Watercraft with motors (10 hp and under)	\$40.00
Watercraft without motors	\$30.00

ANNUAL REGISTRATION STICKER PLACEMENT: Once all of the registration requirements have been met and approved, you will receive two current year registration stickers per watercraft. Place the two stickers of the same number on either side of the front hull of the watercraft. **Be sure that the same registration number stickers are on the same watercraft. You may not launch your watercraft on the lake until stickers are applied.**

ALL FIRST TIME HVL BOAT OWNERS: First time HVL boat owners are required to view a new boat owner video located at www.hiddevvalleylakeindiana.com. You may also obtain a CD from the POA.

BOAT TRAILERS: All boat trailers must also be registered. This is a permanent sticker and should be placed on the boat trailer near the trailer hitch. If you do not have a trailer registration sticker, one can be obtained at the POA Office at no additional cost.

Do not park your boat trailer anywhere on the spillway or marina area unless you are present at Hidden Valley Lake. You may park your trailer while you are fishing or boating on the lake, but **you may not leave it unattended overnight or at any other time**. This ruling comes in the form of a direct order from the State of Indiana's Department of Natural resources and **violators may be cited and/or towed at the owner's expense.**

Please do not park in the Unloading Only zone at the marina, and please respect and properly use the Handicapped Parking areas.

Remember to check the traffic lights for lake status before launching your watercraft.
